⑤

⑥

Step#4

Move/place bed into final position in bedroom.

Step#5

Attach steel center support legs (J) to the Metal slat (G) using Wrench (I), Bolt (T) and Washer (D).

Step#6

Attach steel slat support system to full length steel side rail support cleats (flat side facing up).

Verify the metal slats are inserted properly into support cleats and center support legs are perpendicular to the floor for full support.
